

# Errata for the Journal of the American Pomological Society, Volume 72, Issue 4 (October).

An error was found in Figure 5 of the article: *The NC-140 Multi-Location Peach Physiology Trial: Relationships Between Peach Fruit Weight, Crop Density and Early Season Temperature* by Marini et al 2018.

Below is the correct figure; it has been updated in the original article online at:

[https://americanpomological.org/?page\\_id=3808](https://americanpomological.org/?page_id=3808).

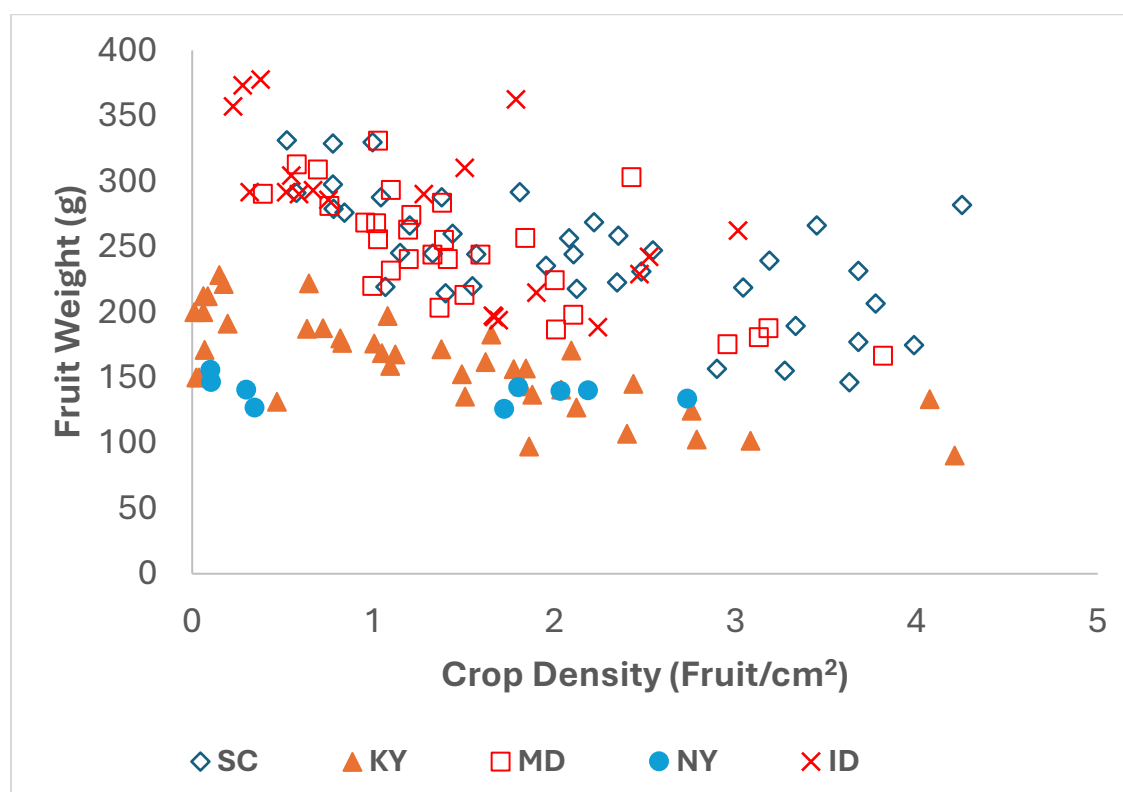

Figure 5. Scatter plot showing the relationship between fruit weight and crop density for 'Cresthaven' trees at five sites over four years.
